Dear Mrs. Strickland and Mrs. Edwards,  
Some time ago I saw your notice to S.E. Mississippi  
Researchers posted at the archive. More recently I  
purchased a copy of Jasper County Ms census records.  
I am interested in your long range project of  
persons who migrated and would like to help.

My Boggan line fits your migration pattern -  
I am enclosing an ancestor chart. According to  
family tradition Anderson Boggan came to the  
Georgiana Ala area with his parents from  
Anson Co, NC. The family of Thomas Boggan is listed in  
the 1820 census of Wilcox Co, Al. I find them next in Butler  
Co, Al in 1830's - where the estate of Thomas was probated.  
Family history states they moved to Jasper Co around  
1846 - The 1850 census of Jasper Co indicates Anderson  
and family. Many descendants remain in the Fellowship  
Community - Anderson married Abby Colon Massengill  
whose family also came from Al. to Jasper Co.  
(The same Massengill as the old post office Massengill)  
Pleasant May Boggan married Sarah L. Sinclair  
whose family also came from Al - Sumter Co - and  
settled on the Jasper- Clarke line.

My Boggan family has a strong oral tradition  
I am in the process of documenting it. I do not

Boggan 5

have in my possession (but have seen, and have some copies) of the type things you mentioned - family letters, Bible records, etc. There are cousins in Fellowship who could provide a wealth of information - but few of them are active in any genealogical organizations or historical societies - I do not want to send unwanted material or duplicates, but I am willing to help try and locate specific information should you request. You mentioned ancestral charts - I have family group sheets for the majority of Anderson Boggan's descendants - from 1840's to present. If you are interested please let me know where I should send this information.

Sincerely,  
Audrey Boggan Landrum
